## H: Campus facilities

H1: Were there any site visits during the review period?

If so, was there any feedback to provide as a result of the visit in relation to the physical aspects of student services delivery, teaching spaces, library computing facilities, amenities and catering (where appropriate).

Note whether the facilities are of at least the same standard as the UC Bruce campus.

Attach photos, visiting briefings, schedules or any other relevant documentation.

Faculty: Due to COVID-19, interstate travel was limited in 2020. As travel restrictions eased a large delegation from the Faculty visited TAFE Queensland in December including discipline professional staff and executive staff. Discussions during this visit highlighted the exceptional facilities available to the TAFE Queensland students and focussed on ways that communication and cross-collaboration could improve between both campuses.
